Dear Jan,

Just a short note to bring you up to date with the results of my search for details of my uncle Harold, which I spoke to you about.

I decided to make a personal visit to the Registrar of Births, Deaths and Marriages and was told that because the person I was seeking data on, had been dead for less than 50 years, I had to be a direct descendent. I explained to them that as far as I knew I was his only surviving relative and because it was so close to the 50 year limit, (he died in 1954) they relaxed the rule and sent me a copy of the certificate.

Kindest regards
